Colorado Access Advantage (HMO), offered by Colorado Access, is a Medicare Advantage Organization with a Medicare contract.

Section 1 – Introduction

This directory provides a list of Colorado Access Advantage’s (HMO) plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our plan providers that are listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP.

Your PCP is a health care professional who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. For example, in order for you to see a specialist, you usually need to get your PCP’s approval first (this is called getting a “referral” to a specialist).

For some types of referrals or services from plan specialists, your PCP or specialist may need to get approval in advance from Colorado Access Advantage (HMO). This is called “prior authorization.”

Care or services you get from non-plan providers will not be covered, with few exceptions. When we say “non-plan providers,” we mean providers that are **not** part of **Colorado Access Advantage (HMO)**. In most cases, you must see your PCP to get a referral or prior authorization before you see any other health care provider.

The “plan providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory; however some services may require a prior authorization. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers

What is the service area for Colorado Access Advantage (HMO)?

The counties in our service area are listed below.

Adams, Alamosa, Arapahoe, Boulder, Broomfield, Conejos, Costilla, Denver, Douglas, El Paso, Jefferson, Larimer, Mineral, Rio Grande, Saguache, and Weld.

How do you find Colorado Access Advantage (HMO) providers in your area?

It is best if you choose a PCP right away. It is important for you to have a doctor when you get sick or need a check-up. This directory includes a list of PCPs. If you need help choosing a PCP, please call our Customer Service Department at 303-751-2657 local or 1-877-441-6032 toll-free, 8 a.m. to 8 p.m., Mountain Time, 7 days a week. TTY/TDD users should call 1-888-803-4494. If you want to use a particular Colorado Access Advantage (HMO) specialist or hospital, you should check with your PCP to make sure they can make referrals to that specialist or hospital. The name and office telephone number of your PCP is printed on the front of your membership ID card.

The information in this provider directory is organized in categories such as Hospitals, PCPs, Specialists, and Mental Health Providers. An “Other Specialties,” category also includes

provider categories by city, such as IV/Infusion providers for Part B drugs and Durable Medical Equipment Providers. Here are also some important notes about our directory:

- PCPs are listed alphabetically by city
- Specialists are listed alphabetically by city and specialty. As a Colorado Access Advantage (HMO) member, you will need a referral from your PCP to visit a specialist.
- Obstetricians/Gynecologists (OB/GYNs) are listed under “Specialists.” Female Colorado Access Advantage (HMO) members do not need a referral or authorization to visit an OB/GYN for routine and preventative healthcare services.
- When you are a member of Colorado Access Advantage (HMO), with few exceptions, **you must use plan providers and network pharmacies to get your covered services.**

What to do if you have a medical emergency?

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial 911 for immediate help by phone, or go directly to the nearest emergency room, hospital, or urgent care center.

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it, anywhere in the world. Colorado Access Advantage covered services for when you are outside our service area are as follows: care for a medical emergency, urgently needed care, renal dialysis, and care that Colorado Access Advantage or a plan provider have approved in advance. If you have questions about what medical care is covered when you travel, please call Customer Service. Ambulance services are covered in situations where other means of transportation in the United States would endanger your health.

How to submit a Claim from a Non-Contracting Provider

If you receive a bill for a covered service or emergency service you received from a non-contracting medical provider, do not pay the bill. Please submit the bill for processing and determination of your liability, if any, to:

Colorado Access Advantage Customer Service, ATTN: Appeals
P.O. Box 17950
Denver, CO 80217-0950
