**RE: Additional PTPs for August 1, 2026
(Policy Transmittal 26-27-01)**

Regional Accountable Entities:

This transmittal serves as official notification that, as part of the Department of Health Care Policy and Financing's (HCPF) Supportive Services Sustainability Strategy, HCPF will implement additional Procedure-to-Procedure (PTP) edits for select supportive services codes, effective August 1, 2026. PTP edits do not allow code pairs to be billed together on the same date of service for the same member. This policy transmittal is in addition to those announced in Policy Transmittal 25-26-24, *Supportive Service MUEs and PTPs for 8.1.26*.

All Regional Accountable Entities (RAEs) must ensure that the Colorado PTP edits described below are implemented and enforced effective August 1, 2026.

HCPF recognizes these changes may require operational adjustments for providers. Navigating this challenging fiscal environment requires continued partnership and shared responsibility to preserve member access to high quality, effective behavioral health services while supporting the long-term sustainability of the Medicaid program.

Please reach out to your contract management team if you have any questions.

Sincerely,

David Ducharme
